

STANDARD RENTAL CONDITIONS

March 2016

Camera | Light | Grip | Light | Facilities

1. Checkout procedure

- . 1.1 With the exception of the cases mentioned in point 1.3, the Tenant are obliged to perform checkout of the equipment from the Lessors premises in the days before the start of shooting between the hours 08:00 (8am) and 16:00 (4pm), or by special appointment. If these requirements are not met we charge NOK 1200, - for emergency support after hours. We do not take *any* responsibilities for Tenants issues with equipment during checkout after hours.
- . 1.2 The Tenant is obliged to carry equipment testing and demonstrate an understanding of the set-up before it's removed from the Lessors premises. Tenant have to check that rented equipment reflects the quote / order. Tenants must sign Lessors checkout form before the equipment is removed from the Lessors premises. If the Tenant discovers faults / deficiencies on rented equipment during checkout / testing, the Lessor shall be notified before the equipment is removed from the premises. Otherwise, the equipment is considered to be placed at the Tenants disposal in accordance with the normal quality standards for rental.
- . 1.3 Tenant understands that equipment can arrive late from other Tenants or when sub-leasing. Lessor shall as far as possible inform the Tenant about delays. In such cases the Lessor will not always be able to make customary control of equipment for damage and the like, before it's at the Tenants disposal. The Tenant cannot annul its lease obligations based on these terms.
- . 1.4 **The Lessor does not accept any responsibility for the fulfillment of the Tenants order unless the Lessor controls the equipment. If the Lessor discovers errors or defects in the equipment, which will lead to delay or non-delivery, the Tenant shall be notified. The Lessor is obliged, to the extent possible, to limit the damage and try alternative rental solutions for Tenant. Beyond this, the Lessor has no financial responsibility regarding the Tenant.**

2. Return of equipment

- . 2.1 The check-in shall happen at Lessors premises latest 09:00 (9am) on the agreed check-in date. The Tenant must report all damages, errors or defects on the equipment.

3. Insurance, fees, excess

- . 3.1 Lessor provides insurance of rented equipment against damage and loss and business interruption insurance for the Tenant within Europe. Tenant will be charged an insurance fee equivalent to five percent, 5 %, of total rental amount, with a maximum of NOK 7.500, -.
- . 3.2 **Lessors insurance does not cover damage and losses due to: 1) careless or improper treatment 2) user error 3) use of facilities 4) wear and tear damage 5) underwater/in water/splashbag shoot if not specified and booked 6) drone shoot if not specified and booked 6) if equipment is not kept safe, "safe" means dry, out of reach, steady and the like 7) storing equipment in vehicles without activated burglar alarm 8) if the equipment is not removed from the car at night, the car has to be locked in a one-car garage with activated alarm**
- . 3.3 Insurance to cover the Tenants use of the equipment outside Europe must be specially made and provided by the Lessor on the Tenants expense.
- . 3.4 Lessor excess using insurance will be charged the Tenant. Excess using insurance is NOK 10.000, - at each occurrence. For drone cases a 10 % extra of total rental amount will be added. Excess using interruption insurance is NOK 10.000, - at each occurrence.
- . 3.5 **Expenses that otherwise accrue for damage caused to the equipment of the Tenant and not covered by the Lessors insurance, will be charged the Tenant directly. If equipment is lost or damaged of such a nature that the equipment must be condemned, the Tenant must replace equipment at replacement cost.**

- . 3.6 Damage report shall be submitted simultaneously with the check-in of the equipment. If this is practically impossible to conduct, a temporarily report has to be delivered and the final report must be forwarded within five days after the equipment was delivered. If this is not adhered, a fee will be imposed the Tenant by 1% of the total rental fee per day beyond the above.
- . 3.7 Cancellation less than 24 hours before production, due to causes other than the Tenants client has canceled the assignment, will be charged with 50 %.
- . 3.8 Emergency service after hours or on-set requires a fee of NOK 1200, -.

4. Lessors obligations

- . 4.1 **Except as set forth in subsection. 1.4, the Lessor has no responsibility for any direct or indirect expenses / losses Tenant incurred through these conditions.**
- . 4.2 In the rental period the Lessor is obligated to carry out repairs to keep equipment free of wear and tear. Lessor shall arrange and pay the transport of equipment to be repaired to / from the Lessors premises.
- . 4.3 We do not charge for checkout day. 1-week rental equals 4 payment days. 2-weeks rental or more lowers the payment days to 3 per week. Transportation days are primarily paying days.

5. Tenants obligations

- . 5.1 Tenants must keep the equipment in good condition and will replace the damage or loss of equipment, regardless of the cause of the damage. Equipment and cases have to be cleaned upon return to Lessor. Tenant will directly be charged any expenses the Lessor receives as a result of inadequate cleaning.
- . 5.2 **Tenants are responsible for the equipment to be used by qualified professionals.** The Lessor reserves the right to approve the operator of the equipment. The equipment must not be used in abnormal or hazardous assignments.
- . 5.3 The Tenant cannot dispose legal actions of equipment, including pledge, patent or otherwise cause it claims. Tenants must not remove or obscure stickers / nameplates / serial number on the equipment showing the Lessors title to the equipment.
- . 5.4 When renting a car it's the Tenants obligation to ensure that the driver has a valid certificate and that the car is not overweight according to the legislation.
- . 5.5 All bookings are preliminary before Lessor has received a written confirmation. Lessor has the right to rent equipment that has not yet been confirmed. Tenant need to confirm quote with sufficient time before a possible checkout.
- . 5.6 Being a foreign registered company, min. 50 % of total rental amount need to be paid up-front. Being a private person, ID need to be sent Lessor when booking.

6. Rental fee for late check-in

- . 6.1 For equipment that is returned *after* 09:00 (9am) on agreed return delivery date, will be charged the Tenant for a day rate.
- . 6.2 If equipment is returned later than agreed, daily rental rate will be charged the Tenant up until the actual return, according to the Lessors current prices for similar equipment, with an additional 10 percent, 10 %, of daily rental. If equipment is damaged or lost, daily rental rate can be charged the Tenant with mentioned addition until repaired or until new equipment is available for rent, if not covered by insurance. These rules do not limit the Lessors right to demand compensation from the Tenant from after the rental conditions other terms.

7. Other costs

- . 7.1 The tenant will cover lab, film, transportation, staff, server storage, consumables, sub-rental, replacement and other costs associated with the use of the equipment.
